

NOTICE OF TEMPORARY SIDEWALK CLOSURE DURING SITE IMPROVEMENTS AT FIRE STATION 55 RENOVATION

WHAT: TEMPORARY Westbound sidewalk closure during site improvements at Fire Station 55

Construction of Fire Station 55, on 955 Point San Pedro Road, is well underway. Site improvement activities include the use of large vehicles and equipment. To ensure prompt, high-quality service to the community, the fire crews have been living on site while during construction. The Fire Department has been able to maintain response times to community emergencies unaffected.

WHY: A temporary sidewalk closure will be necessary to continue with construction of the Fire Station 55 Renovation

*To maintain pedestrians' safety * To maintain Fire Department response times * To accommodate the needs of the construction project

WHEN: Starting on August 26 through the month of September 2022 (estimated duration)

WHERE: Point San Pedro Road between Peacock Drive and Knight Drive

WHAT TO DO: Cross safely at the designated crosswalks & use the Bayside sidewalk (marked in yellow below)

Your safety is our top priority! Please observe all project safety caution signs, barricades, and personnel.
