

NOTICE OF LANE CLOSURE AND BIKE LANE RELOCATION DURING CONSTRUCTION OF FIRE STATION 55 RENOVATION

WHAT: Westbound Lane closure and bike lane relocation during construction of Fire Station 55

Construction of Fire Station 55, on 955 Point San Pedro Road, started last January. Construction activities include the use of large vehicles and equipment.

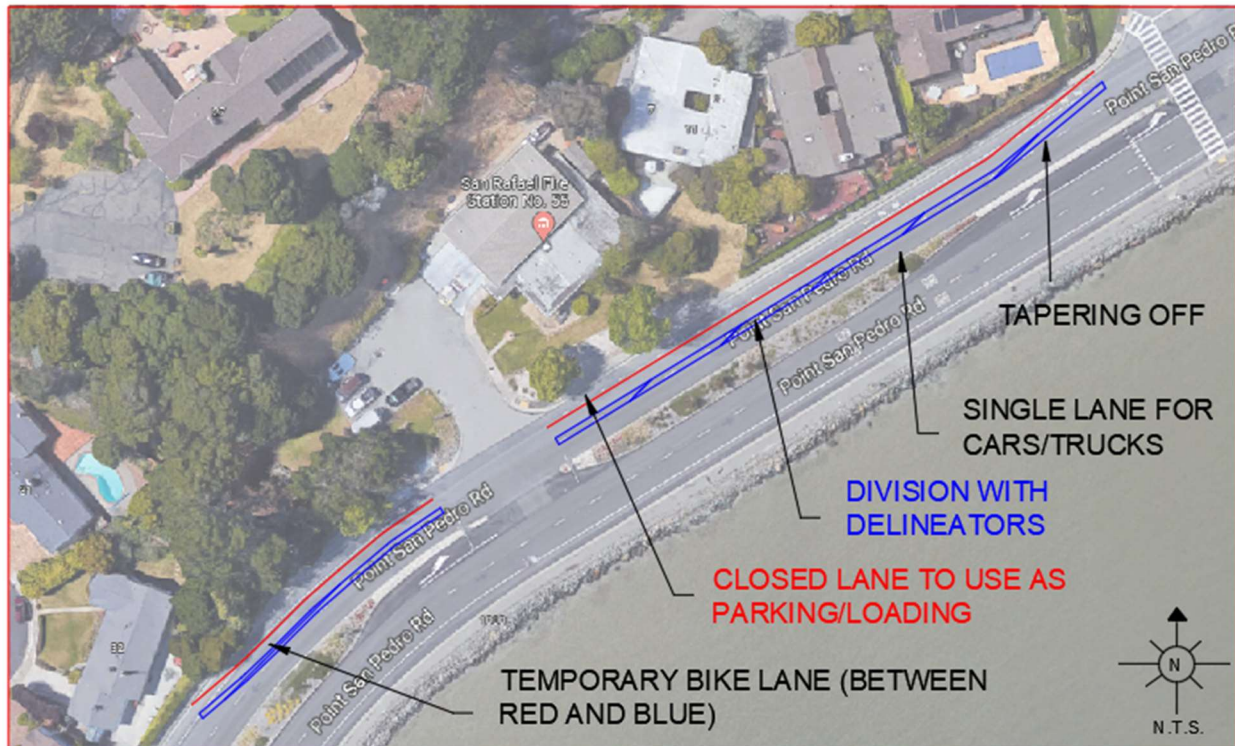

The Fire Department is sharing the site with the contractor building the new station. Currently, the fire crew is living in a temporary modular building on site to maintain prompt response times to the community.

WHY: A temporary lane closure will be necessary,

- To maintain pedestrians and bike riders' safety
- To maintain Fire Department response times
- To accommodate the needs of the construction project

WHEN: Starting mid-February through Spring of 2023

WHERE: Point San Pedro Road between Peacock Drive and Knight Drive

Your safety is our top priority! Please observe all project safety caution signs, barricades, and personnel.
